

ZIPPER™ Commercial Dual-Draw Vacuum Head Carpet Cleaning Tool for Carpet Cleaning Professionals!

- Hard Anodized Aluminum Construction.
- Dual-Draw 15" Vacuum Port Head for maximum drying - patent pending.
- Rotational Teflon® Glides that doubles the life your glides.
- 6 Jet Solution Manifold (Check Valve Equipped).
- Feather Touch Solution Valve for easy operation - Rated 2500 PSI and 250°.
- Cleans & dries forward and backward.
- Our Non-Fixed handle design greatly reduces fatigue, back and body strain.
- Cleans at least 20% faster than conventional wands.
- Works with most truck mounted units.

The ZIPPER™ dries carpets faster and reduces spot wicking, which is caused by leaving a carpet to wet. The unique dual-draw vacuum head allows you to clean without leaving water behind on your forward stroke.
